CHE GUEVARA T-SHIRT

stochastic models of che guevara t-shirt

RELEASE DATE : JANUARY 9TH, 2009

Che Guevara T-Shirt is an indie rock trio formed in Albany, New York in 2005. Somewhere between math and noise rock, middle class guilt and media malaise, Che Guevara T-Shirt hammers out its peanut-sized-niche. Including former members of Catacomb Gypsy Vagina & Complicated Shirt, and Albany pranksters the Jamboyz, CGT wears its local indie scenester cred sardonically on its sleeve. Heralding influences like Polvo, Joy Division, and Fugazi (yet bearing no blatant resemblance to any of them), and playing volatile, pseudo-intellectual tunes about porn, bourgeois guilt, and cyborgs, Che Guevara T-shirt has been an instant relative success on the incestuously close-knit Albany indie-rock scene. After releasing a full length album on NML and conducting an extensive tour of the middle inland northeast, CGT (as they are known by their fan) are attracting media adulation like vinegar attracts flies.

THIS IS WHERE THE ADULATION COMES IN

"CGT's debut serves up eight bracing cuts that feature nervous guitars locked into intricate, obsessive, vaguely math-rock figures, all grounded by a grinding rhythm section that would have made any number of seminal sludgecore titans proud. Singer K. Sonin uses his voice as a fifth instrument, sometimes buried in the mix, dancing with the twitching guitars, sometimes shouting down the swirling musical mayhem surrounding him... All told, a worthy first effort." – **Chronogram Magazine**

SLUDGECORE...? – SORRY, WHAT?

This album of bracing cuts was recorded by titan Troy Pohl (Kamikaze Hearts) at the seminal Rensselaer Polytechnic Institute, and then obsessively mixed by a twitching Pohl and vaguely mathy Che Guevara T-Shirt. *Stochastic Models of Che Guevara T-Shirt* was then distributed gratis to all of our fan.

TRENDING REPORT, OR PLANS FOR OUR FUTURE

CGT is currently recording a follow-up to *Stochastic* in Albany, with plans for a fall 2010 release. Wear a rubber.

Che Guevara T-Shirt be :

matthew heuston – bass, guitar, vocals

sean meddler – drums

keith sonin – guitar, bass, vocals
